Welcome Back!

I hope we all have a wonderful year! New for this school year, reduced-priced students will not be charged the normal \$.30 for breakfast starting September 1st. The 88th Texas Legislature has allocated funds for students eligible for reduced-price meals to eat breakfast for free, effective September 1, 2023. This program will last the entire 2023-2024 school year. Students must have an application on file for this to apply.

Price Changes: Elementary lunch price has increased to \$3.00.
Faculty lunch has increased to \$4.25.

We will continue to serve ice cream. High school students will be able to purchase daily. The schedule for elementary students will be as follows:

Kindergarten -2nd will be on Thursdays

3rd-5th will be on Fridays.

Sales will be cash only again this year.

With that being said, we will still have a \$20.00 balance requirement on cafeteria accounts. When the account falls below the \$20.00 limit, your child will be offered an alternate meal until the charged amount has been paid.

I encourage everyone to create an Ezschoo! payment account to check account balances and make payments. This is found on the school website under the Parents tab. I will continue to send emails to those who have a negative balance on a weekly basis. If you have any questions or concerns, please do not hesitate to contact me.
