

IPHONE/SAFARI

- Open <https://smile.amazon.com/ch/74-3023180> in Safari.
- Tap the “Send” icon at the bottom of your screen (rectangle with an “up” arrow).
- Choose “Add to Home” (you may need to scroll right or left to see this icon).
- Rename the page with something short like “Amazon Smile”
- Click ADD in the top right corner.

IPHONE/CHROME

- Amazon Smile works in Chrome, but we recommend you use Safari to add Amazon Smile to your home screen.

ANDROID/CHROME - Option #1

- Open <https://smile.amazon.com/ch/74-3023180> in Chrome.
- Tap on the 3 dots on the top right.
- Scroll down and tap on “Add to Home Screen”.

ANDROID/CHROME - Option #2

- Open <https://smile.amazon.com/ch/74-3023180> in Chrome
- Tap on the Menu button. The appearance of the Menu button will depend on your device—usually it's a button that looks like three horizontal lines stacked on top of each other, or it could be accessed through a hardware button on your phone.
- Tap “Add to Home Screen”.

ANDROID/MICROSOFT EDGE

- Open <https://smile.amazon.com/ch/74-3023180> in Edge.
- In the Ellipsis menu (lower right corner), choose “Add to Home Screen”.
- Select “Add” and “OK” after the prompts.
- Choose “Add to Home”.

ANDROID/FIREFOX

- Open <https://smile.amazon.com/ch/74-3023180> in Firefox.
- Press the Menu button (either below the screen on some devices or at the top-right corner of the browser), then tap on “Page”.
- Tap “Add Page Shortcut”, Your shortcut should now appear on your home screen.

Tip: If you want to change the label on your shortcut, bookmark that page first, then change its title on the *Edit Bookmark* window. On the *Bookmarks* panel, do a long tap on that site and choose “Add Page Shortcut”.
