Community of Ganado,

February 9, 2019

In March 2018 the Ganado Independent School District Board of Trustees approved the construction of new athletic facilities, including bleachers/track/turf field. The actual installation of the new in ground facilities has been complete since December, as a district we have had to implement and add new measures to help ensure that the beautiful facilities we have will still be as nice as new for years to come. As an Athletic Program, I cannot fully express the respect and gratefulness that we have for the state of the art facilities that have been constructed.

If you would like to use the facilities, I am requesting that you would please abide by the following procedures:

Indian Stadium Facility Rules:

- Please help us protect our facilities
- Do not use lanes 1, 2, 3, 4
- Joggers/Walkers use lanes 5, 6, 7, 8
- No pets allowed
- No bicycles/skates/rollerblades/strollers
- Flat running shoes only
- No food of any kind
- No golfing, javelin throwing, use of long spikes
- No gum or candy allowed
- No shelled seeds or nuts
- Do not place tables, chairs, or any device on the track/turf
- Do not play/dig in sand
- Place trash in receptacle

All rules and regulations are to be strictly adhered to by all persons, groups, and teams using the field at any time and for any reason. Thank you for your interest in using our facilities, please treat it with respect. All activity will be monitored by video surveillance.

Respectfully,

Brent Bennett

Athletic Director
